FLYING HORSE 🏠

HOUSE ALE
4.2%, 23 IBU
SRM 3

Our "House" ale is a light hybrid beer that takes the qualities from some of our favorite styles and ties them into this new Big Lug beer. Named after the first Sahn's bar "The Flying Horse" and meant to quench the thirst of our favorite regulars!

KRISTOFFERSON 🏠

AMERICAN OATMEAL PALE
5.7% ABV, 45 IBU
SRM 8

This American Oatmeal Pale Ale has a slightly heavier malt body than your normal pale ale that strikes a balance with the citrus, piney, and floral hops. Oatmeal is healthy, right? So cussing good it will make you cuss your pants.

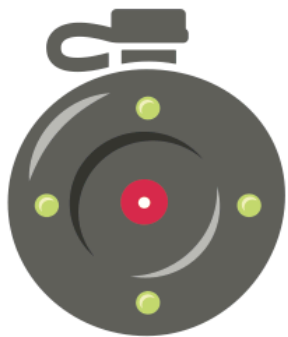

KINGS JIVE 🏠

ENGLISH BROWN
4.5% ABV, 18 IBU
SRM 18

A traditional English Brown Ale with familiar notes of toffee, toasted bread, and chocolate. Drink's with limited bitterness accentuating the soft mouthfeel and malt finish. We don't have any turkeys that jive, but we do have a King who gets down.

PROXIMITY MINES 🔄

GOLDEN ALE
5.7% ABV, 22 IBU
SRM 7

A light bodied golden ale with a honey like malt character, mild fruity hop aroma from Madarina Bavaria hops, and a crisp refreshing finish. Any Bond fan can tell you proximity mines are dangerous, and sort of cheating

NOT YUENGLING 🔄

RYE IPA
6.4% ABV, 62 IBU
SRM 9

Spicy with hints of melon, citrus and dill. Smooth bitterness and a dry finish. Definitely nothing like Yuengling.
